Directions

We are nestled in the countryside in the Fish River Valley, just a half hour drive from either Bathurst, Lithgow or Oberon along very scenic roads.

From Sydney

Blue Mountains or Lithgow: Turn off the Great Western Highway at the Shell Service Station and follow signs to "Lake Lyle". Continue past Lake Lyle on your right and follow signs to Tarana. Pass the Tarana Hotel on your right (you can call in on your way back!) and continue along Main St, Tarana. This becomes Tarana Road, where you will find us 7km from Tarana at 2261 Tarana Road on the right hand side.

From Bathurst

Orange and Blayney: Turn right at the Oberon Road off the Great Western Highway at Kelso. After approximately 5km's turn left onto Tarana Road (you will see a sign "Nursery"). We are 22km along this road on the left.

From Oberon

Take Lowes Mount Road, turn right into Mutton Falls Road, then left onto Tarana Road at Tarana village. We are 7km from Tarana. With a "Nurseryman of the Year NSW" Award under our belt, our plants are of the highest quality and will enhance any garden. It's well worth a visit!
